## Global Learning Partnership Nepal

Have you got a desire to try something different?... Like a challenge? Want to be inspired? You could be involved in a world first opportunity to travel to Nepal to spend 4 weeks with other health science students from all around the world in a unique Global Health project

For information on this project and how to apply... Check out [www.u21mdg4health.org/student\\_involvement/?page=global\\_learning\\_partnership](http://www.u21mdg4health.org/student_involvement/?page=global_learning_partnership)

*first cohort*

**May 2016**

17/4/16-14/5/16

applications open now  
closing 29/01/16
