# BECOME PART OF EUROPE'S FESTIVAL OF IDEAS

Established in 1945, the European Forum Alpbach (EFA) is one of the most prestigious conferences world-wide. Every year, it connects nearly 6000 people from more than 100 nations, including pioneer thinkers and international decision-makers from all sectors of society, as well as an interested audience and committed young people.

## **China Scholarship Programme 2018**

EFA chose OeAD Shanghai Office as its hub in China and initiated the China Scholarship Programme in 2017. This year, EFA is more than glad to open the programme again to students from the universities that EFA Foundation has established partnership with.

The scholarship (amount to around 2000 Euro) will cover the participation fee and accommodation cost for its holders.

### Applicants need to meet the following requirements:

- Enrolled in a master or PhD program at the following universities during the time of 2018 EFA: Fudan University, Peking University, Tsinghua University, China University of Political Science and Law, Renmin University, Beijing Foreign Studies University
- Born after March 30th, 1988
- Proficient in English (at least CET 4)

### **Application process**

- Eligible applicants are required to first submit applications to the Foreign Affairs Office of their universities by **April 10th**.
- The application should include a resume, university transcript(s) and a proof of English skills.
- Each university will nominate up to 7 candidates and send their applications to OeAD Shanghai Office. These students will be invited to interviews (Shanghai & Beijing) in the end of April.
