"I have really enjoyed the IES community interchange - it definitely felt like a little community! It was great to learn about other cultures and learn more about my classmates out of the zoom sessions - I hope we can all meet in person one day!"

(Annabelle, UK)

"Without the ideas shared in the class cafe and the fun tasks to fulfill in the fabulous facts section, this virtual experience would not have been the same. Although we were unable to meet each other in person and explore the beautiful town of Tübingen (...), it still felt like we formed a small community."

(Karli, USA)

"I enjoyed each moment spent online learning from the lecturers and connecting with other participants."

(Felix, Nigeria)
