"I really enjoyed the IES Community interchange because I got to learn about a new topic and I got to do it in an international setting. It was interesting to learn about opinions in different countries."

(Kinga, Poland/UK)

"Without the ideas shared in the class cafe and the fun tasks to fulfill in the fabulous facts section, this virtual experience would not have been the same. Although we were unable to meet each other in person and explore the beautiful town of Tübingen (...), it still felt like we formed a small community."

(Karli, USA)

"I enjoyed each moment spent online learning from the lecturers and connecting with other participants."

(Felix, Nigeria)
