

# Notice on 2026 Chinese Government Scholarship Ph.D Students Scholarship Extension

Dear Chinese Government Scholarship PhD students:

The 2026 Chinese Government Scholarship PhD Students Scholarship Extension Application starts from now on.

## I. Application Requirements

Those PhD students with a positive research attitude and excellent academic performance who cannot finish their programs due to special reasons and cannot be included in the planning for the next academic year by the dispatching organization can apply to extend the scholarship funding period. Requirements are listed below:

1. Go through the procedures of academic extension before applying for next year's scholarship;
2. Students shall pass the **annual review** of the scholarship, complete the **research proposal**, and pass the **mid-term examination** (or meet the training requirements stipulated by the university);
3. The application for an extended scholarship is limited to one time and with a **maximum of one year**. Students who have been extended last year can not participate in this extension.

## II. Application Method and Deadline

1. Log on to eHall and apply for study duration extension from now on;
2. **Before May 6**: Log on to the Chinese Government Scholarship Information System (<http://studyinchina.csc.edu.cn>)
